

Puppy Intermediate • Week 4

Lisa Plymale, CPDT-KA

It's MEET THAT CHALLENGE Week!

You're doing great – now, it's time to take the show on the road! Train your dog in at least four different locations. This is a great way to Help your dogs generalize their training and to continue socializing them. Each challenge is worth one point. Highest total wins a prize.

BRING THIS TO OUR NEXT CLASS!

Leave It

Give your dog a set length of leash, place your leash hand at your waist and toss the treat onto the floor beyond your dog's reach. Say "leave it." As soon as the leash slackens or your dog's nose is taken off the treat, say "yes" and treat from your hand. Once your dog is consistently successful at this level, the next step is to wait for your dog to back off the item and turn his head toward you.

Reminder: Next week is graduation. Add up your points and bring this back for extra credit!
